

## 2026 AHEPA 501 ACTIVITIES

2026 is shaping up to be a productive year for our Local AHEPA 501 chapter. We are continuing our long history of supporting St. George's programs. Chapter members voted to pay for all the books and materials for the newly established Greek School. We are happy to the Greek School is thriving with the students providing songs and poems at the **March 22** Greek Independence program. Keeping with the fast, AHEPANS provided a pancake and fruit breakfast at the Fellowship hour. Many thanks to Chairman Spiro Miller for arranging an informative and enjoyable afternoon.

For April, our chapter will fund the St. George Loaves & Fishes Project. Brothers Gary Mallory, Spiro Miller and Jim Demas lead this volunteer project which prepares and delivers more than 300 meals to the homeless across the city. For the August volunteer day, AHEPA members can participate by contacting Gary (505-814-9868) or Jim (505-553-6332).

AHEPA 501 is a \$3000 sponsor of the Denver Metropolis Oratorical Conference which is being held April 23-25 at St. George. We purchased a table for the Saturday night banquet and look forward to hearing our youth talk about their Orthodox Faith.

On **Sunday, May 10th**, AHEPA will host the St. George scholarship hour with breakfast burritos honoring our High School, College and Graduate School students. Scholarship deadline is April 1.
